Management
Activity**

ID/IQ NAME	ACRONYM	DESCRIPTION	# OF PRIME VENDORS	TOTAL VALUE CEILING
TRICARE- Acquisition, Automation, & Resource Management Support	T/AARMS	TMA "Internal" Support: Administrative, acquisition, budget, finance support. These services give the contractor access to extensive data about the contracts of all other TMA contractors.	6	\$500M
TRICARE Evaluation, Analysis, Management, and Support	TEAMS	Program Management Support: Services which assist TMA in planning and managing its activities and programs. This includes, for example: requirements analysis, acquisition support, budget planning and management, business process reengineering, program planning and execution support, and independent technical management support.	22	\$5B
Defense Medical Information System / Systems Integration, Design, Development, Operations and Maintenance Services	D/SIDDOMS 3	Product Support: Services or end items required to meet mission requirements of TMA's non-purchased care activities and programs. This includes, for example: concept exploration and development, system design, system development and integration, COTS procurement and integration, internal development testing, deployment, installation, operations, and maintenance.	19	\$8B

COD-FC Today

- Established historic in-house contracting capability July 2010
 - Incrementally take over outsourced contracting
 - Continue to use contracting partners until fully ramped up for TMA contracting volume
- Implemented PD² Contract Writing Application
- Writing new policy procedures

Preferred Contracting Agencies

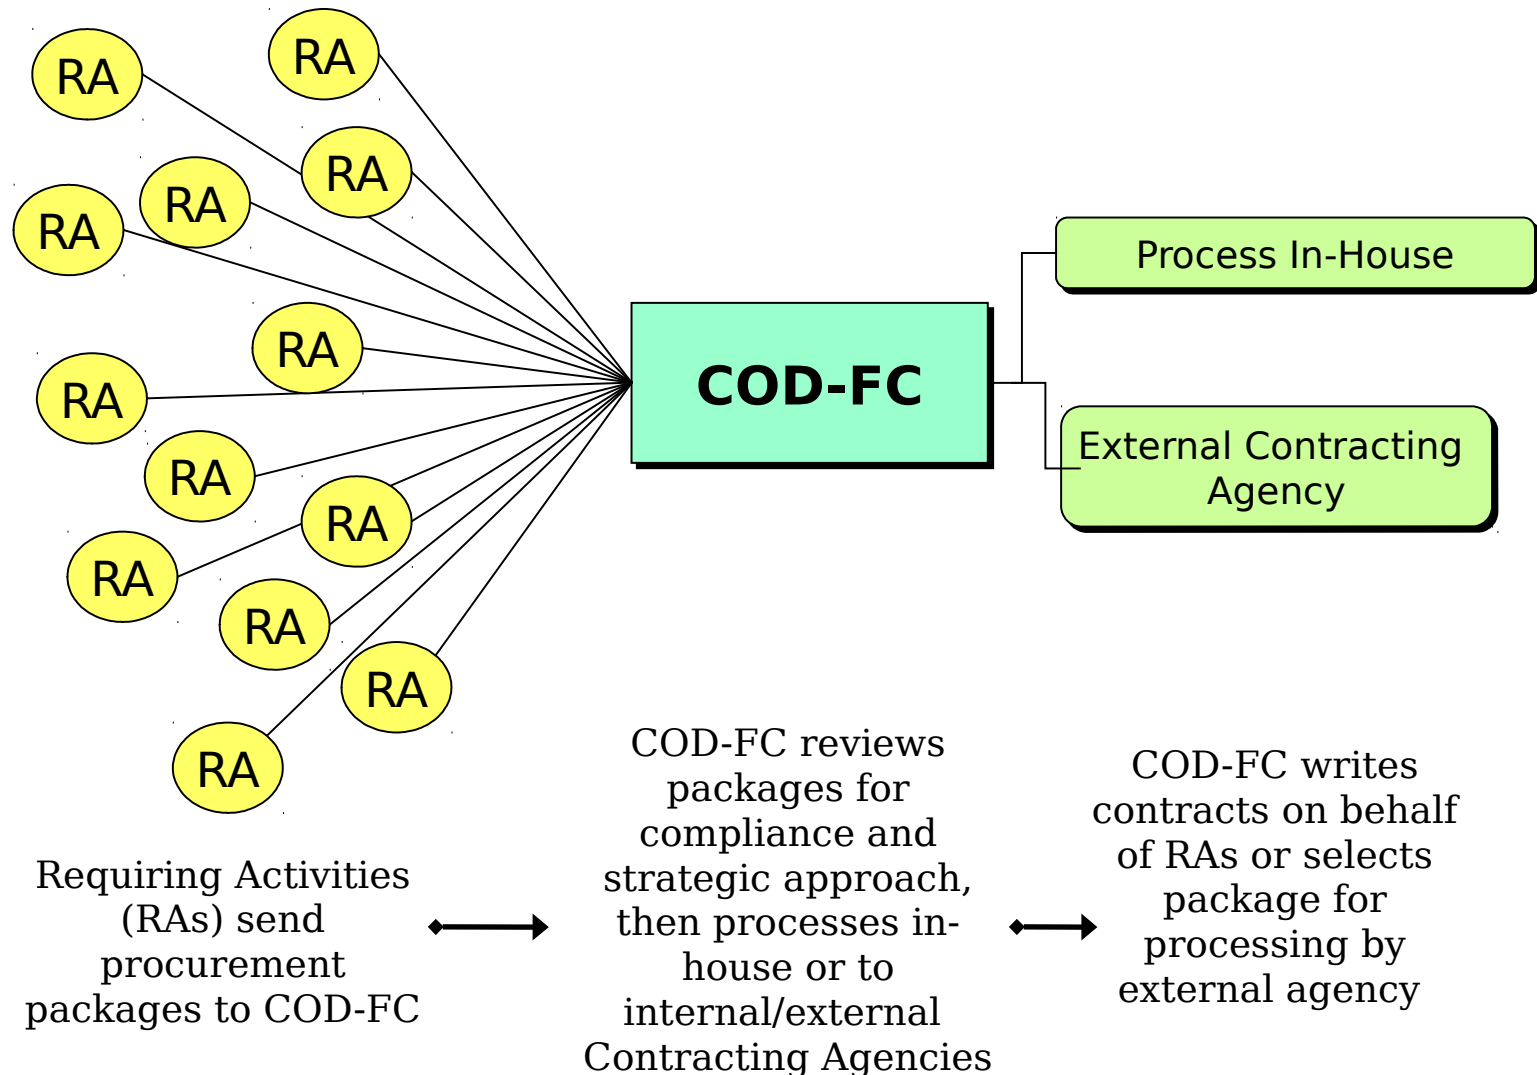

- U.S. Army Medical Research Acquisition Activity (USAMRAA)
- Naval Sea Systems Command (NAVSEA)
- Department of Veterans Affairs (VA) Austin Automation Center (AAC)
- General Services Administration (GSA) Regions 3 and 9
- Department of Health and Human Services (HHS) Agency for Healthcare Research and Quality (AHRQ)
